Who are we?

We are a recognized International Agency that promotes the educational, personal, and social growth of Latin American youth through the different cultural exchange programs of study and work that we represent. We provide advice and support in the selection, application, and placement process for Au Pair programs.

Founded in 2005, as pioneers of the Au Pair Program in our country; more than 12,000 effective processes consolidate us as the leading company in South America, which encourages us to remain committed to all our young people by bringing new opportunities through Global Exchange.

The programs we promote are monitored and regulated by the different Embassies, Consulates, State Departments, and Immigration Offices as appropriate in the destination country.

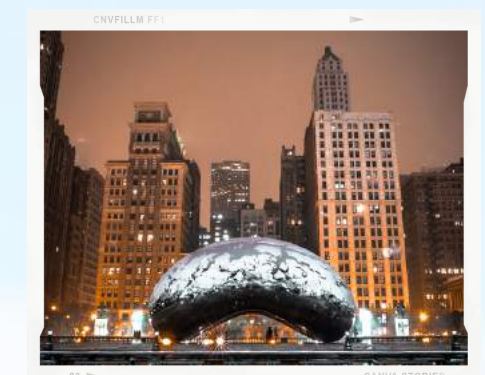

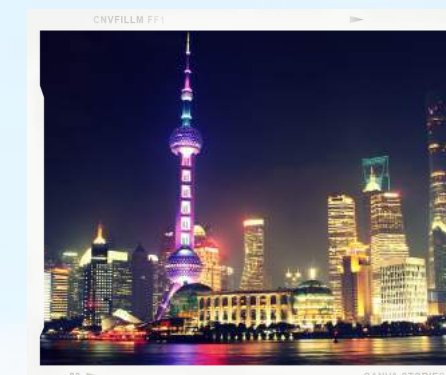

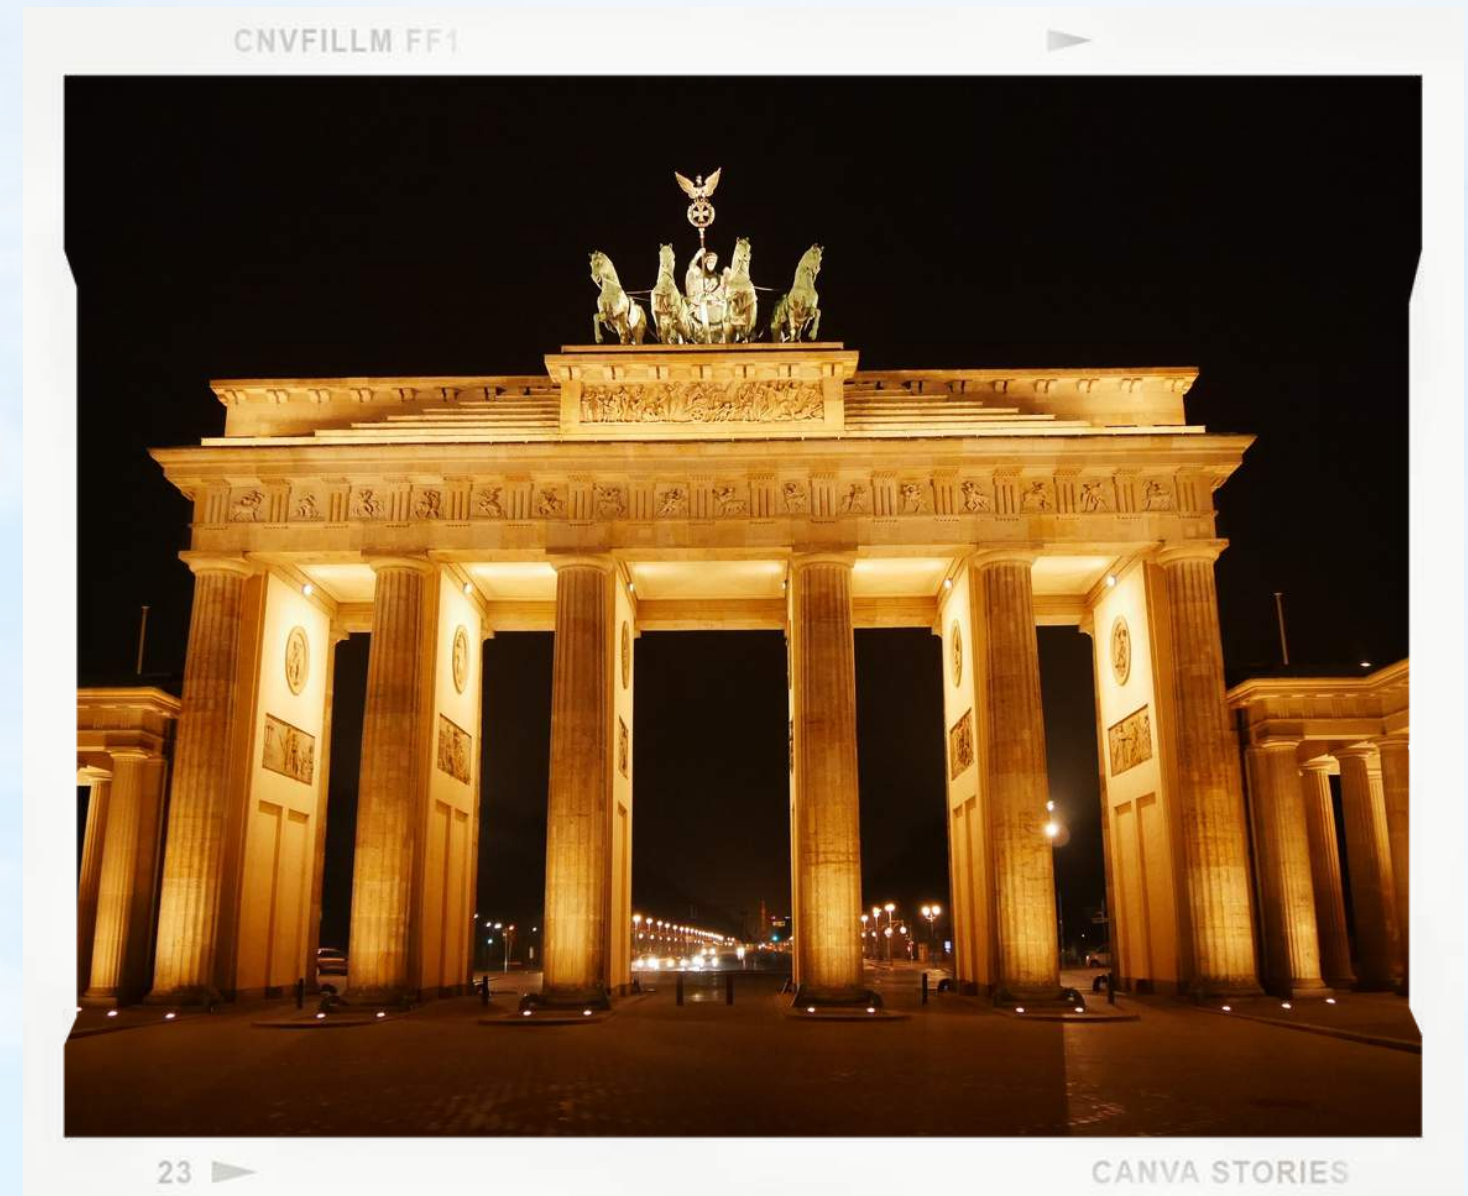

With Global Exchange

You will have the opportunity to travel to the country that fascinates you, to see wonderful places that you would never have imagined.

Live unique moments and interact with young people from all over the world, study, practice, and perfect the language you love.

You can also acquire personal, social, and cultural enrichment abroad; these are some of the privileges that you can enjoy by applying to the exchange programs that we promote.

What is Go Campus all about?

The Go Campus program offers different options that adjust to the needs and economic resources of our applicants since it offers complete opportunities to make the dream of studying in the United States or Canada a reality.

With the Go Campus program, you will be able to live a unique experience, where you will have the opportunity to attend a higher education institution in the United States or Canada and be part of all the curricular and extracurricular activities of the campus.

Living the "CAMPUS LIFE" experience will give you the chance to be part of a fraternity, group, or organization where students from all over the world will participate, meet and share with diverse cultures.

Our Go Campus program is unique in that it not only offers the benefit of being accepted to an American or Canadian university but will also allow you to access a SCHOLARSHIP subject to the terms and conditions of each institution.

With these scholarships, our students will receive significant discounts on annual tuition, including tuition, housing, and meals on campus.
